Hi All

I am sending this email on behalf of Wendy Carritt. You can contact Wendy on wendyacc1@hotmail.com or mobile 0401 296 032

Following our last meeting and interest in overseas travel options expressed by members, we will be looking at a trip to Japan during Cherry Blossom Season **in 2018**. Departure date from Sydney will be between **March 25 and April 15, 2018** and the trip will be 10-15 days duration. This gives us plenty of time to organise and make decisions - it is too close to the time now to do this for a big group next year.

Next year, departure **June 3, 2017** we will be doing the following **Canada/Alaska Tour** for 17 days which includes cruising the Inside Passage.

Below is the quote and itinerary for our Members to look over.

Deposit for this package is \$2200 per person

If we get ten couples or more-

The package price for an Oceanview \$5249.00pp with a \$100.00 pp discount

The package price for a Stateroom with Balcony \$5849.00pp with a \$150.00 pp discount.

For anyone who has looked into this particular trip, the quote is an unbelievably competitive rate and includes staying at four star hotels.

We will need final numbers by end of November. At this stage we expect a group of 20 - 30 Probus travellers.

I am overseas from 6 - 19 October. Please reply to my email, or call me on 0401 296 032 between my return and our next meeting on October 26th, to register your interest, or for any more information.

Alternatively you may contact 'Cruise 1st' with whom I have been dealing, either Kay Drury 8318 2921 or Amy Murphy 84882679. They will be taking care of everyone's individual needs while still keeping this as a Group Booking. When anyone wants to book, they need to give my name, Wendy Carritt, and state they are with the West Pennant Hills and District Probus Group. This way, they can keep track of the Group and numbers.

Looking forward to many travel opportunities.

Kind Regards
Wendy

Day 4 - 06th Jun 2017 - CANMORE TO KAMLOOPS

Our drive today is on the famed Trans-Canada Highway, following a route charted by the railroad engineers and fur traders of the mid 1800s. We continue our tour of the Canadian parks system as we cross the jagged Kicking Horse Pass into British Columbia's Yoho National Park. From the highway, we are treated to a dazzling display of vast icefields, deep canyons, dense forests and glacier-fed streams.
